City Manager

SECTION 2.3 FENCES

- A. Fences in residential districts shall not exceed six (6) feet in height, measured from the surface to the uppermost portion of the fence.
- B. Fences erected within the front yard in any district shall not exceed four (4) feet in height. Fences within the front yard shall be of a type which is not more than fifty (50) percent solid and shall not be located within any clear vision area, per section 2.26.
- C. Fences in residential districts or enclosing residential uses shall not contain barbed wire or be electrified.
- D. In residential districts, the finished side of the fence shall face the abutting property.
- E. Fences shall not be erected within any public right-of-way in any district.
- F. Fences shall not be erected or maintained in any district in such a way as to obstruct the vision of vehicle drivers within the triangular area formed by the intersection of the street right-of-way line and a line connecting two points located on those intersecting right-of-way line twenty-five (25) feet from the point of intersection.
- G. Fences shall not be erected within two (2) feet from a sidewalk, where the sidewalk is within the public right of way.
